PRIZE OF THE BERLIN BRANDENBURG ACADEMY OF SCIENCES AND HUMANITIES DONATED BY THE PEREGRINUS FOUNDATION (RUDOLF MEIMBERG)

The Prize is endowed with 8.000 Euro.

The Prize will be awarded for outstanding scientific achievement to scholars from the countries of Eastern and Southeastern Europe. It is intended as recognition of excellent work and as encouragement for future high quality work as well. The Prize is not a lifetime achievement award.

The Prize Committee set up by the Academy's Board kindly asks for appropriate proposals to be submitted by e-mail until

the 30th of September 2025 at the latest

to Dr. Karin Elisabeth Becker, Director of the President's Office of the Berlin-Brandenburg Academy of Sciences and Humanities, e-mail: becker@bbaw.de.

Applications by prospective candidates themselves are not possible.

For the initial nomination it is enough to complete and submit the attached form and an overview of the ten most important publications. Only when a candidate has reached the final group we would approach the nominator with a request for a curriculum vitae and a list of publications of the person nominated and a laudation of his/her achievement.

If you have any further questions, please don't hesitate to contact Dr. Becker (phone: +49 30 20370-241) in the first instance at the Academy. The enclosed nomination form is also available on <https://www.bbaw.de/en/the-academy/awards/prizes/prize-of-the-academy-donated-by-the-peregrinus-foundation-rudolf-meimberg>.
